

# HAMILTON STATION PARKING DECK HAMILTON TOWNSHIP, NJ

## NJ TRANSIT

**CONTACT RICHARD ANDRESKI:**  
973 491 7768

We worked with the project team to meet the Township of Hamilton's vision Plan for the Transit Oriented Development at this existing station. Our role was to develop the exterior architectural esthetic of a 2000+ space six tier parking deck, which is the planned catalyst for the continuing site development.

### MATERIALS

- Precast Concrete
- Steel and Glass Entrance Canopy
- Aluminum Storefront
- Extension of Platform Canopies
- Steel Gratings and Railings
